

GLOBAL PROGRAM 2027

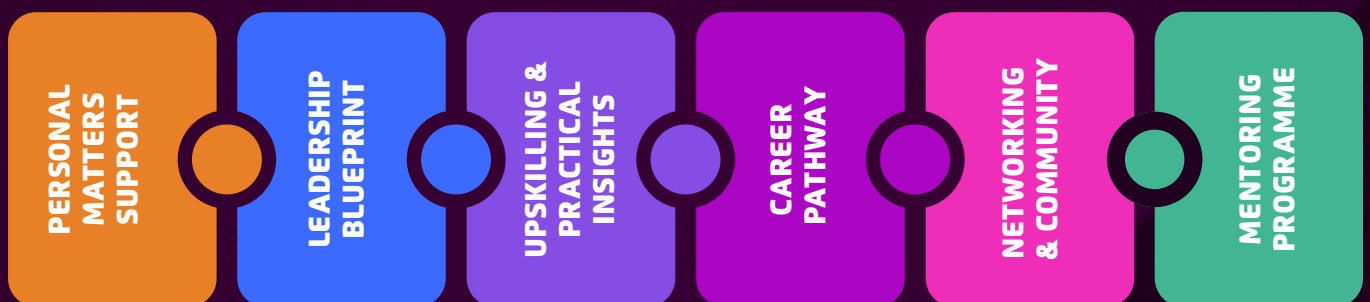

ELEVATE, ACCELERATE, THRIVE

**ISC
GROUP**

Welcome to the 2027 ISC Global Program, an ongoing leadership development programme designed around an ecosystem of six pillars to help members build their leadership presence and navigate their careers in a complex and changing world.

The program is designed to support other internal and external programs or as an stand-alone. It helps members take the right steps to accelerate progress, strengthen leadership skills and develop the capabilities needed for the future. Through masterclasses, roundtables, practical learning, networking and opportunities to connect with our global community, your teams can broaden their knowledge, build valuable relationships and thrive at every stage of their careers.
