AMBASSADOR

DRIVE CHANGE, CHAMPION WOMEN

SABRINA HART

Sabrina Hart is an accomplished insurance industry veteran and a current ISC Ambassador. She serves as the President and Chief Executive Officer of Munich Re Specialty Insurance (MRSI), a position she assumed in May 2023 after having served as interim CEO earlier that year. Sabrina brings over 25 years of experience in the insurance industry, including leadership roles across underwriting and business development.

Prior to her appointment as CEO, Sabrina was President of MRSI's Excess and Surplus Lines (E&S) business. She also spent seven years as Executive Vice President for the Midwest Region at a major global insurance carrier and held senior leadership positions at several other leading carriers and brokers.

Sabrina is known for her strong underwriting expertise, leadership abilities, and collaborative nature. She earned a bachelor's degree in mathematics from the University of North Carolina Wilmington and completed the Executive Management Program at Northwestern University's Kellogg School of Management. Throughout her career, Sabrina has been recognised for her contributions to the industry, including being named a "Woman to Watch" by Business Insurance in 2013 and being inducted into the Insurance Business America's Insurance Hall of Fame in 2020.

Sabrina Hart is a passionate advocate for advancing women in the industry, and as an ISC Ambassador, she continues to champion initiatives that foster leadership and inclusion in the re/insurance sector.
