

Azy Razvi

Azy Razvi is an accomplished finance professional with over 25 years' experience in the insurance and financial services sectors, bringing extensive expertise in financial leadership, corporate governance and strategic planning. Azy is a qualified chartered accountant and a Fellow of the Institute of Chartered Accountant and England and Wales.

Throughout her career, Azy has held senior leadership positions at organisations including the Solicitors Indemnity Fund, Liberty Specialty Markets and Assured Guaranty in Bermuda, having started her career at PwC. Her experience spans financial management, international operations, business transformation and strengthening financial governance.

Azy has been closely involved with ISC Group since 2023, initially as Global Finance Director and subsequently as Strategic Advisor to the Board. Now serving as Company Secretary, she brings valuable financial insight, sound judgement and a deep understanding of the organisation's purpose and ambitions.

Passionate about ISC Group and its mission to advance women in the insurance and reinsurance industry, Azy is committed to supporting its continued growth and global impact. She strongly believes in creating opportunities for women to thrive, develop as leaders and reach their full potential, contributing to meaningful cultural change and a more gender-balanced industry.
