DSI AMBASSADOR
DRIVE CHANGE, CHAMPION WOMEN

MAXINE GODDARD

Maxine Goddard is a senior leader at Sompo International, a global specialty provider of property and casualty insurance and reinsurance, with over 20 years of experience in the insurance industry. She is responsible for driving strategic growth, operational change, and innovation, with a particular focus on broker management, customer experience, business development, and strategic distribution.

An award-winning and passionate leader, Maxine has successfully led multiple complex transformational programs, leveraging data, advanced technology, and customer-focused strategies to enhance service delivery, cross-selling, and sales culture. Known as someone who "gets things done," she has built strong partnerships with both internal and external stakeholders to deliver measurable growth and value.

Maxine is an active member of numerous cross-industry networks and associations, serving as an Advisory Board member, Founding Member, and Committee Member. She is also a mentor and sponsor, committed to developing talent and enabling others to advance their careers. Maxine is a Liverywoman with the Worshipful Company of Insurers and is deeply motivated to create a lasting, positive impact on the insurance industry, the city, and broader society.

As ISC's UK Ambassador, Maxine brings her strategic expertise, leadership experience, and passion for development to support ISC's mission of driving leadership, collaboration, and innovation across the insurance sector.
