

LISA BOLGER

Lisa Bolger is a seasoned transformation leader with extensive experience in guiding organisations through change, maximising performance, and fostering talent development. With over 16 years at PartnerRe, Lisa has held diverse leadership roles across financial and operational functions, showcasing her expertise in driving strategic initiatives and operational excellence.

Her tenure at PartnerRe includes serving as Director of HR Operations (2018–2021), where she championed initiatives to enhance employee engagement and organisational effectiveness. Prior to this, Lisa was Director of Financial Operations, CFO of Partner Reinsurance Europe SE, and Deputy Head of Global FP&A. Earlier in her career, she contributed as Financial Controller, solidifying her reputation as a leader adept at navigating complex organisational challenges.

In addition to her professional accomplishments, Lisa serves as the Chair of ISC Ireland, where she advocates for gender equity and supports the development of women in the re/insurance sector. Her leadership within ISC Ireland reflects her commitment to fostering a collaborative and inclusive industry.

Lisa's transformational leadership and dedication to excellence continue to inspire those she works with, both within PartnerRe and the broader industry.
