

## DEE LAHANE

Dee Lahane is an International Executive and Independent Non-Executive Director/Chair with over 30 years of experience in insurance and retail financial services. She brings deep expertise in digital strategy and implementation, business turnaround, large-scale technology-led change, and operational risk.

Dee has a strong focus on sustainability, diversity, and inclusion, underpinning her strategic leadership and innovative approach to business transformation. Her specialties include strategy development, outsourcing, and digital startup strategy and execution.

As ISC's UK Ambassador, Dee supports ISC's mission by driving collaboration, leadership opportunities, and strategic growth across the re/insurance industry.
