

## SIAN FISHER

Sian Fisher is an experienced Executive and Non-Executive Director with over 20 years at board level across the insurance sector. Her extensive experience spans Lloyd's, international specialist insurance, MGAs, global broking, entrepreneurial start-ups, and the professional body for insurance and personal finance.

Currently, Sian serves as a Non-Executive Director (NED) at ASTA Managing Agency, as Senior Independent Director (SID) at SCOR UK and as NED at ASTA Underwriting Management. She was previously the CEO of The Chartered Insurance Institute and has held senior leadership roles, including Managing Director at HISCOX Insurance Co and Co-Founder and Managing Director of OXYGEN (OIM), later acquired by Arthur J Gallagher. Sian is also a co-founder and former Board Director of the Managing General Agent's Association (MGAA).

As ISC's UK Ambassador, Sian brings a wealth of strategic leadership experience and deep insight into governance, innovation, and collaboration within the insurance market. She is dedicated to fostering strategic partnerships, promoting growth, and driving sustainable change across industries.
