

## BONNY DORLAND

Bonny Dorland is a seasoned business consultant, expert witness, and educator with over 25 years of experience advising and working with companies across various stages of growth, from start-ups to multinational corporations. She brings a wealth of expertise in diverse regulatory and geographical domains, with a strong track record in risk management, governance, and business integration.

Bonny is a Qualified Financial Expert (ACFE) and a Qualified Risk Director, specialising in risk management strategies, governance frameworks, and the integration of business cultures. With a reputation for strategic agility, sound judgment, and providing practical solutions, she has contributed to high-level decision-making in numerous industries.

In her current role, Bonny serves as a Principal at Gillette Zeese, LLC, providing expert testimony and consulting services. Bonny's extensive leadership experience includes roles such as Chair of the Nominating Committee for the Professional Risk Managers' International Association (PRMIA), and leadership positions at prominent financial institutions, including Radian Asset Assurance, where she was Executive Vice President. She has also served on several boards, including Radian Asset Assurance, and has advised on capital restoration plans and governance reforms in the financial services industry.

As a passionate advocate for strategic risk management and a key player in numerous risk and governance initiatives, Bonny continues to drive positive change within organisations while empowering them to adapt to complex global challenges. As an ISC Ambassador, she is passionate about shaping initiatives to support women in the re/insurance industry.
