

## FRANCES TORSNEY

Frances Torsney is an accomplished Managing Director (Operations) and Non-Executive Director with extensive expertise in business operations, transformation, governance, risk management, and audit control within the Irish and global financial services industry. As a qualified Institute of Directors, Chartered Director, Frances is MBA-qualified and approved by the Central Bank of Ireland and FCA UK. She also brings a wealth of experience in navigating complex regulatory environments and driving organisational success.

With an impressive career at AIG, Frances led Global Operations, held various advisory roles, and served as a Trustee of the AIG Ireland Pension Fund. Her directorships span 3rd party fund management and offshore companies, complemented by her active participation in audit and risk management committees, including as Chair. Prior to her tenure at AIG, Frances contributed to the success of Montgomery Govett and the Investment Bank of Ireland, honing her expertise in operational processes and governance.

Renowned for her ability to create robust governance structures and mitigate operational risks, Frances has a proven track record in re-engineering processes, improving services, and rationalising costs. She is adept at driving change and innovation, all while fostering a collaborative and motivated team environment. Frances is Treasurer of YMCA Dublin, a member of the Institute of Directors in Ireland, and an active Ambassador for ISC Ireland. In her ISC role, she champions leadership opportunities for women and works to advance equity in the re/insurance sector.
