

# LORIANN LOWERY-BIGGERS

LoriAnn Lowery-Biggers is the CEO and co-founder of BellaVaughan, Inc., a prestigious global diamond design and manufacturing company, renowned for its exclusive collections distributed through BlueNile, Inc., a Signet company.

With over 25 years in the global finance and insurance industries, she has held senior leadership roles, including President of Lloyd's of London for North America and key positions at The Navigators Group, Wells Fargo, Marsh & McLennan, and Guy Carpenter.

In addition to her executive experience, LoriAnn serves on several boards, including BMS, Copper Point, and Brown & Riding Insurance, and is a dedicated advocate for social causes, supporting A21, a global anti-human trafficking organisation.

She co-hosts "The Leader's Panel" podcast alongside renowned author and clinical psychologist Dr. Henry Cloud. LoriAnn is an ISC Ambassador, committed to promoting diversity and leadership within the industry.
